ASSIGNMENT

WHEREAS, we, Sunggyu Lee of 4912 McKenna Court, Columbia, Missouri 65203-6209, and H. Bryan Lanterman of 113 Dorothy Dean Drive, Columbia, Missouri 65203-7017, have invented certain new and useful improvements in

Polymerization, Compatibilized Blending, and Particle Size Control of Power Coatings in a Supercritical Fluid

for which an utility patent application was filed on September 4, 1998
as U.S. Patent Application Serial No. 09/148,364

WHEREAS, The University of Akron, an institute duly organized and existing under and by virtue of the laws of the State of Ohio and having its principal office and place of business at 302 E. Buchtel Common, Akron, Ohio 44324, is desirous of acquiring the entire right, title and interest in and to said invention, and in, to and under any application directed thereto and any Letters Patent of the United States or foreign countries which may be obtained therefor;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN:

BE IT KNOWN that in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration by us received from The University of Akron, aforesaid, the receipt of which is hereby acknowledged, we, Sunggyu Lee and H. Bryan Lanterman have sold, assigned, transferred and set over unto The University of Akron, aforesaid, its successors and assigns, the full and exclusive right to the said invention in the United States and all foreign countries and in, to and under the application for Letters Patent of the United States therefor of even date, and in, to and under any reissue, divisional, continuing or substitute application thereof or any

corresponding application filed in a foreign country, and in, to and under any Letters Patent that may be issued for said invention in the United States or in any foreign country; and we do hereby covenant and agree for ourselves and our legal representatives to assist our said assignee in the prosecution of the said application or applications and in any interference or litigation which may arise involving our said invention or the said patent or patents, and to execute any reissue application thereon, or any divisional, continuing, substitute, or foreign application based on or corresponding to the above specifically identified application, as may be requested by our said assignee, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent of the United States upon the above specifically identified application for said invention to The University of Akron, aforesaid, as assignee of our entire right, title and interest in and to the same for the sole use and behoof of our assignee, its successors and assigns.

IN WITNESS WHEREOF, we have hereunto set our hand and seal this
